

Group Discussion – Interim Budget 2025

04.02.2025

The Department of Commerce (BAF) – SGDC recently organized an engaging group discussion on the "Interim Budget 2025." The purpose of this session was to provide students with an understanding of the key highlights, implications, and expected economic outcomes of the Interim Budget presented by the government. The discussion covered various aspects such as the fiscal policy, government expenditure, tax reforms, and the impact of the interim budget on businesses and individuals.

This insightful discussion aimed to enhance students' awareness of budgetary processes and develop their analytical skills in understanding government policies. Twenty-three students attended the session, actively participating in the discussion, exchanging views and gaining a deeper understanding of the economic implications of the Interim Budget 2025.

Event Details

Name of the Event: Group Discussion – Interim Budget 2025

Date: 04th February 2025

Time: 11:00 am to 12:00 pm

Event Purpose

- To raise awareness among students about the key highlights and provisions of the Interim Budget 2025.
- To educate students on the economic impact of the Interim Budget, including its effects on taxation, government spending, and industry growth.
- To help students understand the role of the Interim Budget in shaping the national economy and its potential impact on job markets and business environments.
- To encourage students to critically analyze the budgetary measures and consider their implications on personal finance and professional growth.
- To guide students in developing a better understanding of economic trends and how these may influence their career paths in finance, business, and public policy.
- To foster a deeper understanding of the government's economic priorities and how students can align their career goals with upcoming economic changes.

Some more glimpses of the event

Outcome of Event

After participating in the group discussion on the "Interim Budget 2025," our students gained:

- A clear understanding of the key provisions and economic impacts of the Interim Budget 2025, including its influence on taxation, government spending, and fiscal policies.
- Practical insights into how the proposed budgetary measures can affect various sectors such as businesses, individuals, and the job market, empowering students to analyze future economic trends.
