

SEMINAR COMMITTEE

The Seminar Committee here at SGDC serves to schedule, communicate and organise seminars periodically. Not only resource persons from different institutes of the country are invited in National Seminars organised by the college but also the students are encouraged to deliver talks in the seminars organised in smaller scale by individual departments regularly.

Aim & Objectives

1. To organize national and international conferences, workshops, and seminars on a regular basis to exchange knowledge, experiences and research findings.
2. To schedule a guest lecture on developing and contemporary legal issues on a regular basis
3. Students' research and analytical skills should be improved, and they should be encouraged to communicate their thoughts and ideas.
4. To establish positive relationships with stakeholders through sponsorship and prospective participation.
