

Dear Students,

B.Com is one of the most popular undergraduate program in India. The Department of Commerce is aimed to provide the best teaching faculty, Easy and Interesting study materials, comfortable infrastructure facility which help our student to have overall development. We aspire for our students to be engaged and motivated to become life-long learners, providing challenging learning experiences to encourage achievement.

The primary objective of B.Com. is to make student employable and self-employment oriented. Bachelor of Commerce (B.com) is perfectly designed full time course, which consists of six semesters spread over duration of three years. B.Com subjects impart Analytical skills, Financial Literacy, Business Acumen, Business Laws, Taxation knowledge etc.

A B.Com. degree is structured to provide the students managerial skills in disciplines related to commerce. Also, by the end of the program, students gain an in-depth knowledge on core subjects like accounting, law, statistics, finance, Marketing just to name a few.

The job opportunity after B.com is very broad and comprehensive. After completing B.Com, one can take the traditional path of Accounting jobs like Accountant, Auditors, Actuaries, Budget Analysts, Chief Financial Officer Banking, Accounting, Insurance and Finance, Business Operations Manager, Tax Consultant, Stock Broker, etc. One can also choose to take up teaching career after B.Com by pursuing B.Ed. and M.Com. Numerous global and national organizations are eager to enlist understudies with abilities in B.com.
