

**Dear Students,**

Welcome to Shri. G.P.M. Degree College.

Bachelor of Management Studies (BMS) Self Finance is a full-time three years degree course offered by the University of Mumbai.

Department of Business and Management Studies is one of the Pioneer Departments in Shri. G.P.M. Degree College with high academic standards and inspiring success rate in educating tomorrow's leaders in Management to cater to both national and international arenas through a range of Management Degrees. Our

undergraduate Degree Programs have been designed to challenge their thinking and inspire them to develop the advanced knowledge and analytical skills that will need to succeed in business.

The program also aims to imbibe the spirit of entrepreneurship among young minds and also to develop mid-level managerial skills for the industry. The BMS curriculum has been professionally upgraded to meet the demands of the corporate world.

Bachelor of Management Studies (BMS) helps in learning business and management techniques and candidates who complete a Bachelor of Management Studies can expect lucrative jobs in the corporate field, managerial roles, and start-ups. Studying Bachelor of Management Studies (BMS) course helps in developing managerial skills such as communication, organizing, leadership, reporting, and teamwork prior to real working scenarios.

The students can select Marketing or Finance as their area of specialization, and have relevant elective subjects from the 3rd Semester onwards. This helps them get in-depth knowledge in their area of interest. The program is designed to train students to be aspiring Entrepreneurs, Managers, and budding CEOs of tomorrow, thus taking up the responsibility for the all-around development of students' personalities.

Bachelor of Management Studies is a good option for someone who is planning to pursue an MBA post-graduation in the future. The course curriculum includes the subject of MBA which helps the students to get prepared from the Under Graduate level. Candidates aspiring to start their own business can also choose Bachelor of Management Studies.

At Shri. G.P.M. College, we strive to create a culture where our students feel safe and engaged in their learning. We will prepare our students for any challenges they may face. It is a privilege to educate your children and we look forward to a successful year.
