

Dear Students,

Welcome to Shri G.P.M. Degree College

One of the leading junior college in Mumbai for FYJC and SYJC students. It follows the higher secondary certificate examination of Maharashtra board and is founded on the motto of 'Knowledge is enhanced by humility alone'.

We offer strong foundation & promises best subject knowledge enhancement with different methodologies of foundation & implementation for all the medical & engineering streams related competitive courses & entrance examination.

Instead of rote- learning concept our focus is to develop analytical & logical problem solving skill among of students. We provide competitive atmosphere with personalized attention & disciplined and focused learning environment are the key area where we put in our best endeavours.

In keeping with the spirit of learning and growing through criticism, we have set up high standards working continuously toward advanced goals. Students are prepared to take calculated risk, go the extra mile and become exemplary professionals in their chosen fields.

Our institute has committed itself to enrich the way education is imparted. This commitment & passion strengthens our Vision to empower students to make the future global leaders.
