

Dear Students, Staff, Parents, Alumni/ae and Well Wishers,

Welcome to Shri G.P.M. Degree College. This is not just a college but a way of life. The College has traveled a long way since 2005 to the present day, crossing several hurdles and gaining strength and maturity in the process. Much is done but much more is proposed to be done as the college marches ahead. Commitment to serve all the students by providing quality education to all, irrespective of caste, creed, religion, and economic status is one of the basic tenets on which our college stands.

Our team of Shri G.P.M. Degree College believes in the absolute development of all the students involving their mind, body and soul in a sustained manner. We provide environment in our college which enables you to realize your self-esteem and potential in every sphere of life. In our college you gain awareness and learn to assert your rights by equipping and strengthening ourselves. We motivate our students to take a small positive step in the direction of self development and become successful human being. We assure you that students of our college will be proud of their alma mater throughout their life.

The task of an excellent teacher is to stimulate apparently ordinary people to unusual efforts. The tough problem is not in identifying winners: it's making winners out of ordinary people. At SGDCC all are groomed to be winners.

To fulfil this objective, many developmental programs were initiated during the preceding years keeping in tune with the changing scenario of education. Besides regular classes, we also arrange seminars, conferences, workshops, encourage various cultural competitions and activities aiming at overall enrichment of the students beyond classroom learning.

As an aspiring, intelligent, and determined learner, you all need to explore new avenues and learn with the pace. I invite you to be an integral part of this vibrant and thrilling journey of endless opportunities at SGDC for learning the spirit of nation-building.

Dr. Vandana A. Sinha
Principal
