

## MAGAZINE & NEWSLETTER COMMITTEE

SULEKH, our annual college magazine, aims to inform, inspire, entertain and create awareness on a number of current social issues to a diverse readership.

SULEKH, has a great educative value. It encourages students to think and write and hence develops their writing skills and talents. It contains a collection of articles, poems and stories primarily on the social themes. They are written and edited by the students and sometimes by teachers and past pupils.

For the management of the SULEKH magazine, an Editorial Board is formed comprising teachers and students. The students send their articles to the editor. Then a selection is made and the best articles are published in the magazine with necessary addition and changes. Besides contributions from students, SULEKH records the achievements of students and congratulates them for their hard work. It also contains information on the activities of the college.

Students find real joy when they see their names published in the college Magazine.
