Subject - Request for Research fund.

Respected Sir,

I hope this letter finds you well and I am reaching out to you to seek your support for a research project that holds great promise and significance for our academic community.

Shri G.P.M. Degree College of Science & Commerce, Andheri is established in the year 2010, affiliated to the University of Mumbai, having 08 programs, graduated more than 5500 students, provided placement assistance for almost each graduate and committed for quality enhancement in the field of education.

The faculties of our college are well qualified, disciplined, dedicated and ready for research and innovation. Our college allows them

- * to pursue their intellectual interest to learn experimental, practical & advance learning.
- * to increase their problem solving skills against challenges in academic & administrative management.

Our college has limitations of the monetary funds. To successfully carry out these researches, we are in need of financial support. The funds requested will be utilized for the data collection, participant compensation, etc.

We are confident that our research project will contribute significantly to the advancement of knowledge in our field and align with the values & aims of your's college.

The expected expenditure of the research work is around Rs. 50,000/- & we will be highly obliged for your any contribution against this need.

Thanking you.

Subject - Request for Research fund.

Respected Madam,

I hope this letter finds you well and I am reaching out to you to seek your support for a research project that holds great promise and significance for our academic community.

Shri G.P.M. Degree College of Science & Commerce, Andheri is established in the year 2010, affiliated to the University of Mumbai, having 08 programs, graduated more than 5500 students, provided placement assistance for almost each graduate and committed for quality enhancement in the field of education.

The faculties of our college are well qualified, disciplined, dedicated and ready for research and innovation. Our college allows them

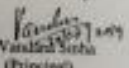

- * to pursue their intellectual interest to learn experimental, practical & advance learning,
- * to increase their problem solving skills against challenges in academic & administrative management.

Our college has limitations of the monetary funds. To successfully carry out these researches, we are in need of financial support. The funds requested will be utilized for the data collection, participant compensation, etc.

We are confident that our research project will contribute significantly to the advancement of knowledge in our field and align with the values & aims of your college.

The expected expenditure of the research work is around Rs. 50,000/- & we will be highly obliged for your any contribution against this need.

Thanking you,

Your Sincerely,

Dr. Vandana Sarda

Subject - Request for Research fund.

Respected Sir,

I hope this letter finds you well and I am reaching out you to seek your support for a research project that holds great promise and significance for our academic community.

Shri G.P.M. Degree College of Science & Commerce, Andheri is established in the year 2010, affiliated to the University of Mumbai, having 08 program, graduated more than 5500 students, provided placement assistance for almost each graduate and committed for quality enhancement in the field of education.

The faculties of our college are well qualified, disciplined, dedicated and ready for research and innovation. Our college allows them

- to pursue their intellectual interest to learn experimental, practical & advance learning.
- to increase their problem solving skills against challenges in academic & administrative management.

Our college has limitations of the monetary funds. To successfully carry out these researches, we are in need of financial support. The funds requested will be utilized for the data collection, participant compensation, etc.

We are confident that our research project will contribute significantly to the advancement of knowledge in our field and align with the values & aims of your's college.

The expected expenditure of the research work is around Rs. 50,000/- & we will be highly obliged for your any contribution against this need.

Thanking you.
