

## Criteria – 7 – Summary

SGDC – HEI operates in the context of the institutional values & best practices. SGDC works in order to be relevant to changing national context with global reflection. HEI has a social responsibility, environmental concern, its own values. It operates best practice to student and society. It has its own distinctiveness.

### **Institutional Values and Best Practices**

The HEI embraces values and social responsibilities. It has initiated LED bulb / tube initiatives for alternate energy sources, along with effective waste management via segregation.

The institution celebrates National commemoration days and also days of international importance. These events contribute to the holistic development of students.

The institution has conducted green audits, environment audit, energy audit and waste audit evaluating various aspects like facilities, CO2 emissions, and carbon footprint.

The HEI prioritizes gender equity in various aspects, such as coeducation, classroom environment, employee and student ratios, curriculum, toppers, extension activities, sports, cultural events, and research participation.

SGDC implements energy audit measures to track and monitor the campus's annual energy consumption. The aim for the same is to ensure efficiency in usage, planning for corrective measures and sustainability.

The HEI values cultural, regional, linguistic, economic, and socio-economic diversity, fulfilling its constitutional obligations through initiatives like celebrating various days and festivals.

The campus is adorned with trees, potted plants and other plantations as part of its green campus initiative. Facilities like, ramps and railings, are in place, with a separate administration center for specially-abled students.

### **The HEI follows two best practices throughout the year.**

- “Empowering Learning Through Expertly Crafted College Notes”
- "Empowering Excellence: College Remedial Sheets Program"

### **Distinctiveness of the Institution is reflected via;**

- Provides with robust internship programs, industry collaborations, and hands-on projects.
- E-resources of YouTube link is provided.
- Training and Placement Cell
- Industrial Visit for students
