

Dear Students,

Welcome to the Department of Computer Science at Shri G.P.M. Degree College. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of major stakeholders.

It is a pleasure to head the Department of Computer Science at Shri G.P.M Andheri. The department has a team of highly experienced and motivated faculty members who are in process of tuning the young minds to make them globally competitive.

The strength of the department is highly motivated students who understand the dynamics of the industry and upgrade their skills accordingly. The scope of computer science is endless. The students in computer science and Information Technology are highly demanded by the recruiters of the top companies.

Depending upon the interest of the student, he/she may choose to go for higher studies or if employed can choose to do research, development, design, production, application, testing, or management in the Information Technology industry. In our department, we not only give emphasis on study but also apply our knowledge in understanding what computers are, what is its architecture, how to efficiently program them, different tools to write an effective algorithm, the interface between the computer and the user, the computer graphics, computer networking, managing the software database, software engineering and testing them efficiently and more.

Through an innovative teaching-learning process a teamwork approach and a leadership-building experience, our students gain vital communication and critical-thinking skills. Our institution provides a platform for the students to enhance their employability skills through Industry Institute Collaboration.

Ms. Jayashree Patade
