1. **Intensive Corporate Interaction :** At our college, we maintain regular interaction with the corporate world. Besides regular Management Development Programmes (MDPs), Seminars, Consultancy, Quiz Contests, Research & Resource sharing, the organizes following specific programmes:
 - **Corporate Mind Sharing :** In this forum 3 to 4 CEOs from diversified industry sectors are invited to speak & interact with students on specific topics.
 - **CEOs Dinner Series :** As a truly unique experience, our college invites CEOs of Companies to dine with our students. So that students not only overcome the anxieties of interacting with a leading personality, but also develop close friendship with a mentor for life.
 - **Corporate Mentoring Program :** Students are paired with a corporate professional based on their areas of interest & specialization. They are provided with the insight & experience deemed essential to face the corporate realities. They are also given advice on how to succeed in their chosen profession.
2. **Industry Oriented Teaching :** Teaching in our college is highly practical & focused on what the industry needs as it evolved through constant interaction with leading professionals who are a part of the industry & Academic Advisory Boards. Besides imparting theoretical knowledge, the curriculum stresses on developing analytical skills, communication, problem solving & team work abilities. Hence, case studies, industry projects, presentations, research work & role-play form an integral part of a student's tenure at our college.
3. **Personality Enhancement :** At our college, we are passionate about grooming leaders who are not only thorough professionals but also good human beings with Values and Sanskars.

*Quality is never by accident,
It is result of Planning,
Teamwork and
Commitment for Excellence.*
